<https://beasiswaindo.com/scholarships/erasmus-mundus-master-scholarship-in-evolutionary-biology-europe-usa/>

---

The European Commission will grant a number of scholarships to highly qualified students to participate in the MEME programme. The selection procedure for these scholarships will be carried out by the Admission and Examination Committee of the MEME programme. Each year, a maximum of 18 scholarships will be awarded to participating students; for instance in 2011 there were **9 scholarships for category A students and 8 scholarships for category B students**. Because of an EU initiative named "Western Balkans and Turkey Window", we were able to award **one additional scholarships** to students from the following countries: Albania, Bosnia and Herzegovina, Croatia, the former Yugoslav Republic of Macedonia, Montenegro, Serbia, Kosovo, Croatia and Turkey. This scholarship was awarded as a category A scholarships.

**Scholarships for both categories of students** will cover all participation costs for the MEME programme, including tuition fee, insurance, language courses and summer schools. In addition, scholarships include the following:

- **Category A scholarships:** A monthly allowance of € 1,000 and a yearly contribution to travel and installation costs of € 4,000.
- **Category B scholarships:** A monthly allowance of € 500 and a yearly contribution to travel and installation costs of € 1,500.

The EU requires that we maintain a geographical balance of admitted students that receive a scholarship: no more than two students from a single country may receive a scholarship for the MEME programme.
