Graduate Research Scholarships, University of Melbourne, Australia

<https://beasiswaindo.com/scholarships/graduate-research-scholarships-university-of-melbourne-australia/>

Available to high-achieving students undertaking graduate research at the **University of Melbourne**.

Eligibility

To be eligible for this scholarship, you need to:

- have applied for and meet the entry requirements for a graduate research degree at the University of Melbourne, or be currently enrolled in a graduate research degree at the University of Melbourne

Selection criteria

All domestic students who are offered admission to a Masters by Research or doctoral degree (PhD) at the University of Melbourne will receive a Research Training Program Scholarship (Fee Offset).

Graduate Research Scholarships that provide a stipend as well as fee offset are awarded to domestic and international students based on academic merit. Eligible applicants are scored and ranked according to their academic achievement of their last completed degree and their research potential in their field of study. Factors such as completion of a degree at the same level of the research course for which the scholarship is sought, relevant professional experience, refereed publications, specialist medical qualifications or composition of original music may be taken into consideration.

Conditions

These scholarships are subject to the Graduate Research Scholarships Terms & Conditions (as amended).

Application process

If you are a new student and have applied for a graduate research course by the application closing date for that course, you will be automatically considered for the Graduate Research Scholarships. You will receive a notification that a scholarship application has been added to your record within seven days of having submitted your course application.

If you have accepted a graduate research course offer and deferred commencement in order to be reconsidered for a scholarship, you must submit an online application form by 31 October to be considered for a scholarship in the following year. You will receive a notification that a scholarship application has been added to your record within seven days of having submitted the online form.

If you are currently enrolled in a graduate research course for which you seek a scholarship, you must submit an online application form by **31 October** to be considered for a scholarship in the following year. You will receive a notification that a scholarship application has been added to your record within seven days of having submitted the online form.

When will I know the outcome?

Domestic students will receive an offer for Research Training Program Scholarship (Fee Offset) as part of their course offer.

Offers for Graduate Research Scholarships that provide a stipend and fee offset are made separately but around the same time course offers are made.
