<https://beasiswaindo.com/scholarships/informatics-international-master-scholarships-university-of-edinburgh-uk/>

The School of Informatics will offer up to 10 Master's scholarships for the 2017-2018 academic session.

Award

Each scholarship will have a value of £2,000 and will be tenable for one academic year.

Eligibility

The scholarships will be awarded to international (non-EU) students who are accepted for admission on a full-time basis for an eligible postgraduate Master's programme of study.

Eligible programmes include:

- MSc in Artificial Intelligence
- MSc in Cognitive Science
- MSc in Computer Science
- MSc in Data Science
- MSc in Design Informatics
- MSc in Informatics

Criteria

The scholarship will be awarded broadly on the basis of academic merit. Candidates must have, or expect to obtain, a UK first class or 2:1 honours degree at undergraduate level or the international equivalent.

In addition to the above academic qualifications, the selection panel will also take into account the financial circumstances of applicants to ensure that as far as possible a student's financial situation does not impede a university education.

Applying

Eligible applicants should complete an online application.

The closing date for the scholarship application is **3rd April 2017**.

Please note you will not be able to access the online application form unless you have applied for admission to the University of Edinburgh.

The online scholarship application form is located in EUCLID and can be accessed via MyEd our web based information portal at <https://www.myed.ed.ac.uk>

When logging in to MyEd, you will need your University User Name and password. If you require assistance, please go to <http://www.ed.ac.uk/student-systems/support-guidance>

Notification

All applicants will be notified of the outcome by the end of June 2017.
