### Value

Successful applicants will receive payment to cover their University tuition fees up to three years, along with a maintenance grant matching the Research Council UK rate (£14,553 for 2017/18).

### Eligibility

To be eligible you must:

- be a UK/EU or International fee paying applicant
- have achieved at least a First Class (1) Honours degree or equivalent\* at undergraduate level
- meet the English language requirements of your programme of study if English is not your first language (UK/EU applicants – prior to or at registration; international applicants – by the relevant scholarship deadline)
- not have already been awarded or be currently studying for a doctoral degree
- not already be in receipt of a doctoral scholarship
- have applied for a research degree and be in receipt of a student ID number

\* Candidates with a lower mark in their undergraduate degree will be considered if they have or are expected to receive a Distinction in a Masters programme relevant to their field of research, or if they can demonstrate relevant alternative experience (eg in industry or business, or for a practice-based PhD, in the creative arts).

We welcome scholarship applications from all suitably-qualified candidates, but UK black and minority ethnic (BME) researchers are currently under-represented in our postgraduate research community, and we would therefore particularly encourage applications from UK BME candidates. All scholarships will be awarded on the basis of merit.
