### How to apply

This award will be automatically allocated to outstanding applicants applying for the first time for 2019 entry (deferred offer holders or applicants applying for deferred entry are not eligible). A separate application is not required. Academic merit, as determined by information provided in the application form, is the sole determinant in identifying potential scholars. Typically this will be the achievement of a bachelor's degree equivalent to at least a UK upper second class award. If you are offered a Postgraduate Global Excellence Scholarship you will receive an e-mail notification following receipt of your University offer. If successful to accept the award you must make the University of Exeter's offer your first choice by returning your deposit by the deadline identified in your offer letter. Awardees will be required to satisfy any conditions stipulated in their scholarship offer letter no later than 31 August 2019.
