**Universiteit Utrecht**

#### Scholarship amount

The Utrecht Excellence scholarship can be awarded as:

- tuition fees, or
- tuition fees plus 11.000 euro living expenses

As the grant is not automatically a full scholarship, it may be necessary to find additional funding to be able to finance your studies and stay completely. Students requiring a residence permit in the Netherlands must prove to the IND (Immigration and Naturalisation Office) that they have sufficient financial means. Read more about the budget the University advises.

#### Number of scholarships

20-25 scholarships will be available for 2019-2020, distributed across the 6 Graduate Schools.

The scholarship is awarded for the duration of the degree programme, which is one or two years, depending on the degree programme. The scholarship will only be renewed for the second year if the student is making satisfactory progress towards the degree.

#### Deadline

Prospective students who wish to be considered for the scholarship must apply before **February 1 (00:00 Dutch time)**. Your application for a scholarship will only be processed if you have submitted an application for a Master's programme as well. Please note that in some cases you may need to apply before December 1; check the 'When to apply' section under Admission and application of your master's programme.

#### Selection criteria

Eligible candidates are selected for a scholarship on the basis of the following criteria:

1. Academic excellence and promise in the proposed field of study;
2. The academic quality and results of preceding qualifications, as evidenced by proof of belonging to the top 10% of the class, grades, test scores, a writing sample, letters of recommendation;
3. The quality and relevance of the motivation letter for the Master's programme (academic content, intercultural

and communication skills, personal motivation);

4. The quality of the application for the Master's programme itself (completeness, accuracy, consistency).

### How to apply

After submitting an application for the Master's programme, non-EU/EEA students will have the option to submit an application for an Utrecht Excellence Scholarship.

You will need to upload the following document:

- Proof of belonging to the top 10% of your graduating class: an official document issued by your university that proves you are among the top 10% of your graduating class, such as a statement signed and stamped by your University, a reference letter, a class ranking certificate, etc.

Please note that students starting their programme in February are not eligible for the Utrecht Excellence Scholarships.

1. Submit an application for a Master's programme; if you do not do this first, your UES application will simply be deleted.
2. After submitting an application for a Master's programme, you can go to Osiris Online Application.
3. Log in with your Osiris username and password.
4. Click on the link 'New application'.
5. Answer the UES questions and upload the requested document(s).
6. Submit your application.

As the scholarship deadline is February 1, you will not be informed whether you have been awarded the scholarship prior to this date and not before you have been (un)conditionally admitted to the programme.
